CONFERENCE PARTICIPATION INVITATION

8th International Conference

October 10 – 12, 2012

Niagara Falls, New York

Sheraton at the Falls Hotel

Online Submission Extended Deadline: September 12, 2012

The American Institute of Higher Education (AmHighEd) invites you to electronically submit a Research Paper, Research Abstract, or Proposal for a Workshop, Tutorial, or Panel Session to the 8th International Conference on Business and Education (please visit <http://www.amhighed.com/Niagara-Falls2012/submission.htm>). The conference includes both face-to-face and Internet presentations. **The best paper in the Business track and the best paper in the Education track will be published** in the blind-refereed journals of the American Journal of Business Research (AJBR) and American Journal of Educational Studies (AJES), upon addressing reviewers' comments. Second through fifth rankings in each of the two areas will be sent for expedited review for possible publication, after the conference.

Areas of Interest

Researchers and practitioners worldwide are encouraged to submit their work from fields related to Business and Management, Accounting, Economics and Finance, Marketing, Statistics and Quantitative Methods, Operations Management, Management Information Systems, Health Care Management, and all areas of Education. Being an international conference, submissions investigating related global issues, cross-cultural, and country-specific studies are most welcome. You are welcome to further suggest special sessions, discussion panels, tutorials and workshops. Proposals for workshops, tutorials, or panels will be evaluated for possible inclusion in the meetings by the conference chair. Doctoral and other graduate students are particularly encouraged to submit papers as well as dissertation and thesis proposals; students receive a discount on registration fees. This conference creates a friendly environment for exchanging ideas among educators, researchers and practitioners.

Submission and Review Process

Authors may electronically submit their manuscripts using the AmHighEd website (<http://www.amhighed.com/Niagara-Falls2012/submission.htm>) by **September 12, 2012**. Publication in the proceedings does not preclude subsequent publication in other journals when proper acknowledgments are made.

Any individual author or co-author may submit **up to two submissions**. At least one of the authors for each accepted paper must register for the conference. **All conference participants must register for the conference.**

Full-length papers should not exceed 6000 words. All tables, figures, graphs, drawings and pictures should be inserted in the body of the manuscript. All submissions must follow APA6 style and the exact guidelines for submission are available on the conference website (<http://www.amhighed.com/Niagara-Falls2012/submission.htm>). Submissions that do not follow the guidelines will be returned to the authors for corrections. The length for Research Abstracts submissions is **at least 500 words**.

The authors will receive e-mail notification of acceptance (or rejection) within **one week of their submission**.

The best papers will be selected through a competitive blind review process for both business and education areas. The best paper will be awarded at the reception on Thursday October 11, 2012. All **full-length** papers (face-to-face and Internet) will be automatically considered for this award (not the abstracts).

Internet Division

If you cannot physically attend the conference, you can present your paper in the Internet Division (Choose Internet Division as your track when you submit). All manuscripts accepted for participation in the Internet Division will also be included in the conference proceedings and will be considered for the best paper award competition. **All conference participants, including Internet Division, are required to register in order to be included in the conference program.**
